Dear Dr. Lederberg:

Thank you for your letter of February 3. I can assure you that both President Rhodes and I look forward to substantive discussions with you after you take up your new duties at Rockefeller University.

The materials that you requested are being sent to you under separate cover. Let me also pass along the welcome news that The Commonwealth Fund has just confirmed a grant of \$300,000 in support of the M.D./Ph.D. program.

Sincerely,
